Dictionary of American Regional English informants were then asked to answer the questions in the DARE questionnaire. Humanities magazine has described it as "a bold synthesis of linguistic atlas and historical dictionary", and William Safire called it "the most exciting. For DARE, a "region" may be as small as a city or part of a city, or as large as most (but not all) of the country. In many communities more than one person contributed answers, so the total number The Dictionary of American Regional English (DARE) is a record of regional variations within American English, published in five volumes from 1985 to 2012 and based on data mostly collected in the 1960s. It differs from other dictionaries in that it does not document the standard language used throughout the country. Instead, it contains regional and folk speech, those words, phrases, and pronunciations that vary from one part of the country to another, or that are learned from family and friends rather than from teachers and books c3621fb2aa

The common link is the interpretation of symbols to extract the meaning from the visual notations or tactile signals (as in the case of braille). c3621fb2aa Perkinson, an American Studies professor at University of Hawaii at Manoa, describes the criminal justice system in Texas and how it formed in the context of the post-United States Civil War environment. Perkinson states that, unlike the prisons described in his book, the early prison systems studied by many criminologists are those in New England. Perkinson describes the historical system as being punishment-only and primarily motivated to suppress black people when it was no longer possible to legally enslave them without their having committed a crime. Therefore, Perkinson perceived this system as a continuation of slavery. The book covers the terms of O.B. Ellis and George... c3621fb2aa
