In 1993, the asteroid 5095 Escalante was named after him. d4656be210 Most people with gallstones (about 80%) are asymptomatic. However, when a gallstone obstructs the bile duct and causes acute cholestasis, a reflexive smooth muscle spasm often occurs, resulting in an intense cramp-like visceral pain in the right upper part of the abdomen known as a biliary colic (or "gallbladder attack"). This happens in 1–4% of those with gallstones each year. Complications from gallstones may include inflammation of the gallbladder (cholecystitis), inflammation of the pancreas (pancreatitis), obstructive... d4656be210

AP International English Language The listening part of the exam has around 40 multiple-choice questions, and students have around 35 minutes to answer them. The test usually consists Advanced Placement (AP) International English Language (also known as APIEL) is an AP Examinations course managed by Educational Testing Service (ETS) with the sponsorship of the College Board in New York. machine-scored. The three-hour exam assesses four language skills: listening, reading, writing, and speaking. It is designed for non-native speakers to prepare for studying in an English-speaking university, particularly in North America. The course also gives students a chance to earn college credit. The test

paper has two sections: multiple-choice questions and free-response questions. APIEL committee consists of high school and university English teachers from Belgium, China, France, Germany, Switzerland, and the United States
