Felix Aderca it argued that the movement had set the stage for innovation not just in art, but also in everyday life and in politics. For a while in 1923, he tried Felix Aderca (Romanian pronunciation: ['feliks a'derka]; born Froim-Zelig [Froim-Zeilic] Aderca; March 13, 1891 – December 12, 1962), also known as F. As a member of the Sburătorul circle and close friend of its founder Eugen Lovinescu, Aderca promoted the ideas of literary innovation, cosmopolitanism and art for art's sake, reacting against the growth of traditionalist currents. Aderca, Zelicu Froim Adercu or Froim Aderca, was a Romanian novelist, playwright, poet, journalist and critic, noted as a representative of rebellious modernism in the context of Romanian literature. His diverse works of fiction, noted as adaptations of Expressionist techniques over conventional narratives, range from psychological and biographical novels to pioneering fantasy and science fiction writings, and also include a sizable contribution to erotic literature 21481f602a

Harris and Klebold met while attending middle school and gradually became close. By their junior year of high school, they were described as best friends who were dependent on one another. Early reports characterized them as unpopular and frequent targets of bullying; however, many peers later stated that the two were not near the bottom of the school's social hierarchy, as both had numerous friends and active social lives. Columbine High School was alleged to have an intense "jock culture", in which popular students—primarily athletes—received preferential treatment from... 21481f602a Keir Starmer (Labour) (until 20 July) 21481f602a Aderca's open rejection of tradition, his socialism and pacifism, and his exploration of controversial subjects resulted in several scandals, making him a main target of attacks from the far-right press of the interwar period. As a member of the Jewish-Romanian community and a vocal critic of antisemitism, the writer was persecuted by successive... 21481f602a

Semiotics Understood in the widest sense, it encompasses all channels of everyday communication Semiotics is the study of signs. shared in media, such as newspapers, radio, television, and the internet. Semiotics is related to linguistics but has a broader scope that includes nonlinguistic signs, such as maps and clothing. It is usually divided into syntactics, which addresses how signs are organized and combined; semantics, which addresses the relation between signs and their meanings; and pragmatics, which addresses the relation between signs and their users. It is an interdisciplinary field that examines what signs are, how they form sign systems, and how individuals use them to communicate meaning 21481f602a

French Resistance The proportion of the French people who participated in organized resistance has been estimated at from one to three percent of the total population. Resistance cells were small groups of armed men and women (called the Maquis in rural areas) who conducted guerrilla warfare and published underground newspapers. Wieviorka, Olivier and Tebinka, Jacek, “Resisters: From Everyday Life to Counter-state”, in Surviving Hitler and Mussolini (2006), eds: Robert Gildea The French Resistance (French: La Résistance [la ʁezistãs]) was a resistance movement made of a collection of different revolutionary groups that fought the Nazi occupation and the collaborationist Vichy regime in France during the Second World War. They also provided first-hand intelligence information, and escape networks that helped Allied soldiers and airmen trapped behind Axis lines. The Resistance's men and women came from many parts of French society, including émigrés, academics, students, aristocrats, conservative Roman Catholics (including clergy), Protestants, Jews, Muslims, liberals, anarchists, communists, and some fascists 21481f602a

Some characters that were first introduced as fully fleshed-out characters become subsequently used as stock characters in other works – for example, the Ebenezer Scrooge character from A Christmas Carol, upon whom the "miser" stereotype is based, and whose name now has become a shorthand for it. Some stock characters incorporate more than one stock character; for example, a bard may also be a wisecracking jester. 21481f602a Forms of domestic abuse include physical, verbal, emotional, financial, religious, reproductive and

sexual. It can range from subtle, coercive forms to marital rape and other violent physical abuse, such as choking, beating, female genital mutilation, and acid throwing that may result in disfigurement or death, and includes the use of technology to harass, control, monitor, stalk or hack. Domestic murder includes stoning, bride burning, honor killing, and dowry death, which sometimes involves non-cohabitating family members. Signs are entities that stand for something else, such as the word cat, which stands for a carnivorous mammal. They can take many forms, such as sounds, images, written marks, and gestures. Iconic signs operate through similarity. For them, the sign vehicle resembles the referent, such as a portrait of a person. Indexical signs are based on a direct physical link, such as smoke as a sign of fire. For symbolic signs, the relation between sign vehicle and referent is conventional or arbitrary, which applies to most linguistic signs. Models of signs analyze the basic components of signs. Ferdinand de Saussure's dyadic model identifies a perceptible image... 21481f602a The book is split into two sections. The first, entitled 'Why We Hide Our Motives', includes an introduction to the subjects of animal behaviour, signalling, social norms and self-deception. In the second section, entitled 'Hidden Motives in Everyday Life', each chapter covers an aspect of human behaviour and describes how it can be explained through the framework of signalling and self-deception outlined in the first... 21481f602a

Domestic violence In a broader sense, abuse including non-physical abuse in such settings is called domestic abuse.), Living with paradoxes victims of sexual violence and their conduct of everyday life, Wiesbaden: Domestic violence (DV) is violence that occurs in a domestic setting, such as in a marriage or cohabitation. The term domestic violence is often used as a synonym for intimate partner violence, which is committed by one of the people in an intimate relationship against the other, and can take place in relationships or between former spouses or partners. In a broader sense, the term can also refer to violence against one's family members, such as children, siblings or parents. violence in the frame of everyday life", in Kappler KE (ed 21481f602a

The main thesis of the book is that we are very often not aware of our real reasons for most of our behaviours. Our behaviors are optimised for living in a social group and very often, from the point of view of natural selection, it is useful if we are not consciously aware of our real motivations. 21481f602a Some of the stock characters in this list - reflecting the respective attitudes of the people of the time and the place in which they have been created - in hindsight, may be considered offensive due to their use of racial stereotyping, homophobia, or other prejudice. 21481f602a Andy Burnham (Labour) (starting 20 July) 21481f602a
