Romersa started his career as a drummer, but early on he branched out into sound engineering. As Romersa tells it, "After a tragic early tour I did at age 19 which left me homeless sleeping on a park bench in New Jersey, I had to find a way to make money and still be close to what I love; music." Romersa later studied sound engineering. Combining his fledgling career as a professional musician with the more stable income of sound engineering allowed Romersa to hone his craft as both a drummer/percussionist and as a sound engineer. In 2002, "NECA's Reel Toys" was formed as a division to produce toys, action figures and dolls that are targeted towards action figure and toy enthusiasts. They

are intended for teens and adults as collectibles for many licenses that no other company would market as a toy. 4269baf92c
