As a conceptual object, a book often refers to a written work of substantial length by one or more authors, which may also be distributed digitally as an electronic book (ebook). These kinds of works can be broadly classified into fiction (containing invented content, often narratives) and non-fiction (containing content intended as factual truth).... 399891640a

Book The writing style used in these works is informative; the authors avoid opinions and the use of the first person, and emphasize facts. Originally physical, electronic books and audiobooks are now existent. Modern books are typically composed of many pages bound

together and protected by a cover, what is known as the codex format; older formats include the scroll and the clay tablet. Physical books are objects that contain printed material, mostly of writing and images. Restoration literature It is a literature that includes extremes, for it encompasses both Paradise Lost and the Earl of Rochester's Sodom, the high-spirited sexual comedy of The Country Wife and the moral wisdom of The Pilgrim's Progress. It saw Locke's Treatises of Government, the founding of the Royal Society, the experiments and holy meditations of Robert Boyle, the hysterical attacks on theatres from Jeremy Collier. In general, the term is used to denote roughly homogeneous styles of literature that centre on a celebration of or

reaction to the restored court of Charles II. English literature The English language has developed over more English literature is a form of literature written in the English language from the English-speaking world. This form of English lasted. However, following the Norman Conquest of England in 1066, the written form of the Anglo-Saxon language became

less common. The earliest forms of English, a set of Anglo-Frisian dialects brought to Great Britain by Anglo-Saxon settlers in the fifth century, are called Old English. Despite being set in Scandinavia, it has achieved national epic status in England. The English spoken after the Normans came is known as Middle English. With no authoritative language academy, guidance on English language usage can come from many sources. This can create problems, as described by Reginald Close: Teachers and textbook writers often invent rules which their students and readers repeat and perpetuate. These rules are usually statements about English usage

which the authors imagine to be, as a rule, true. But statements of this kind are extremely difficult to formulate both simply and accurately. They are rarely altogether true; often only partially true; sometimes contradicted by usage itself. Sometimes the contrary to them is also true. 399891640a A Portrait began life in 1904 as Stephen Hero—a projected 63-chapter autobiographical novel in a realistic style.
