== Premise == 5736bf6f56 Building on his late 1950s drawings of comic strip characters, Look Mickey marks Lichtenstein's first full employment of painterly techniques to reproduce almost faithful representations of pop culture and so satirize and comment upon the then developing process of mass production of visual imagery. In this, Lichtenstein pioneered a motif that became influential not only in 1960s pop art but continuing to the work of artists today.

Lichtenstein borrows from a Donald Duck illustrated story book, showing Mickey Mouse and Donald Duck during a fishing mishap. However, he makes significant alterations to the original source, including modifying the color scheme and perspective and adding a speech balloon, changing the... 5736bf6f56 A disco revival song, the lyrics are about Carey being dissatisfied by her lover's failed attempts at romancing her.
