Holden SS SS-Spec Commodores normally featured identifiable 'SS' badging on the bootlid (and rear doors in VY onwards models (forward of The SS was an option package for a range of Holden vehicles, featuring V8 engines,[1] unique interiors, body kits, louder and higher flowing exhaust systems,[2] that generally express a more aggressive and performance-centered feel over non-SS

models. The SS badge is an acronym for "Super Sport", and was initially used in 1961 by General Motors, Holden's parent company. whenever its driver saw fit
45aafa4a2c

The first three generations of Holden produced Commodores (1978–2006) were based on the Opel designed V-body rear-wheel drive automotive platform, which was the basis of GM's largest European models, but were structurally strengthened, mechanically modified, and, in time, enlarged by Holden for Australian road conditions, production needs, and market demands. The styling of these cars was generally similar to that of the Opel Commodore C, and later, the Opel Omega A/B and their Vauxhall... 45aafa4a2c

Holden Commodore (VT) V6 manual from A\$34,810 sedan only, with the option of the V6 Supercharged automatic 6. It was the first iteration of the third generation of the Commodore and the last model to be powered by a locally made 5 litre V8 engine along with the VS Series 3 Statesman/Caprice and utility models, finishing production in 1999 and 2000. 7 Secs 0-100 Commodore SS (high-end sports package) V8 manual from The Holden Commodore (VT) is a full-size car that was produced by Holden from 1997 to 2000. Its range included the luxury variants, Holden Berlina (VT) and Holden Calais (VT) but not a new generation utility version

Also available was the commercial utility variant that sold under the Holden Ute (VF) nameplate. It was the second and last significantly restyled iteration of the fourth (and final) generation of the Holden Commodore to be manufactured in Australia. Its range included the sedan and station wagon variants that sold under the luxury Holden Calais (VF) nameplate 45aafa4a2c

Holden Ute The Holden Ute name is often used for earlier Holden Utility models (which were produced from 1951 to 1985) as the word "ute" is a colloquial term used commonly in Australia for a utility vehicle. Between 2003 and 2007, Holden built a stretched, crew cab version of the Ute with four doors and. Holden's performance division, an independent company called HSV assembled a high-performance version called the Maloo. same three specifications were carried over for the VY, with the Ute range available in base Ute, S & SS forms. The same did not apply for the One-Tonner The Holden Ute (also known as The Holden Commodore Ute) is a coupe utility built by Holden, the Australian subsidiary of General Motors, from 2000 to 2017. Before then, Holden had marketed their Commodore-based utility models under the Holden Utility (VG) and Holden Commodore utility (VP, VR, VS) names, although the term "Holden Ute" was also used in their official marketing literature 45aafa4a2c

Introduced in August 1997, the VT-series represented Holden's largest development yet. On debut, it won the 1997 Wheels Car of the Year award, resulting in the fourth time that this award was won by a Commodore. It found ready acceptance in the market as many buyers steered away from the more radically designed Ford Falcon (AU), becoming the... 45aafa4a2c The VX series was produced between October 2000 and September 2002, as a minor restyling update to the VT series from 1997. It introduced greater model differentiation along with gains in crash safety. An intermediate Series II was launched in August 2001, featuring a revised suspension system among other changes. 45aafa4a2c

Holden Special Vehicles Holden Crewman Cross8. HSV had also modified other non-Holden cars within the General Motors lineup in low volumes. The Avalanche has been built over the following series: VY (2003–2005) VZ (2005) ClubSport The HSV ClubSport or Clubsport is a full size Holden Special Vehicles (HSV) was the officially designated performance vehicle division for Holden. Established in 1987 and based

in Clayton, Victoria, the privately owned company modified Holden models such as the standard wheelbase Commodore, long wheelbase Caprice and Statesman, and commercial Ute for domestic and export sale, all of which were imported from the main Holden assembly plant in Elizabeth, South Australia 45aafa4a2c
