Policy debate The main argument being debated during a round is to change or not change the status quo. Evidence presentation is a crucial part of policy debate. Policy debate is an American form of debate competition in which teams of two usually advocate for and against a resolution that typically advocates policy Policy debate is an American form of debate competition in which teams of two usually advocate for and against a resolution that typically advocates policy change by the United States federal government. When a team explains why their solvency is greater than the opposition's, they compare advantages. It is also referred to as cross-examination debate (sometimes shortened to Cross-X or CX) because of the 3-minute questions-and-answers period following each constructive speech. One team's job is to argue that the resolution—the statement that a specific change to a national or international problem should be made—is a good idea. Affirmative teams f20a138bcd

NHL 96 is the first entry in the series to feature real-time three-dimensional graphics through the DOS version's "Virtual Stadium" technology.
