Carlism in literature Today it enjoys some popularity. However, it remains paradoxical that when Unamuno was offering his analysis, the period of great Carlist role in letters was just about to begin. Bernabé Oliva released, among prosaic attempts, *Hispanica: Romancero de Mío Cid y otros poemas* (1942), but his contribution is dwarfed – at least in On March 21, 1890, at a conference dedicated to the siege of Bilbao during the Third Carlist War, Miguel de Unamuno delivered a lecture titled *La última guerra carlista como materia poética*. It lasted for some quarter of a century, as until the late 1910s Carlism remained a key theme of numerous monumental works of Spanish literature. It was probably the first-ever attempt to examine the Carlist motive in literature, as for the previous 57 years the subject had been increasingly present in poetry, drama and novel. Afterward, it lost its appeal as a literary motive, still later reduced to instrumental role during Francoism fa06c4d733
