JBEL, a subset of The Journal of Business, Entrepreneurship and the Law (JBEL) is a legal periodical published by Pepperdine University School of Law 6643d72056

Corporate law organizations and businesses. Corporate law often Corporate law (also known as company law or enterprise law) is the body of law governing the rights, relations, and conduct of persons, companies, organizations and businesses. Corporate law often describes the law relating to matters which derive directly from the life-cycle of a corporation. It thus encompasses the formation, funding, governance, and death of a corporation. The term refers to the legal practice of law relating to corporations, or to the theory of corporations. The term refers to the legal practice of law relating to corporations, or to the theory of corporations 6643d72056

Business It is also "any activity or enterprise entered into for profit. personally taxed on all income from the business. ". A distinction is made in law and public offices between the term business and a company (such as a corporation Business is the practice of making one's living or making money by producing or buying and

selling products (such as goods and services)

Commercial law (or business law), which is also known by other names such as mercantile law or trade law depending on jurisdiction; is the body of law that Commercial law (or business law), which is also known by other names such as mercantile law or trade law depending on jurisdiction; is the body of law that applies to the rights, relations, and conduct of persons and organizations engaged in commercial and business activities 6643d72056

A business entity is not necessarily separate from the owner and the creditors can hold the owner liable for debts the business has acquired except for limited liability company. The taxation system for businesses is different from that of the corporates. A business structure does not allow for corporate tax rates. The proprietor is personally taxed on all income from the business. 6643d72056
