is hunted by a Cult who want to conduct a blood sacrifice on him to blast open a portal using a combination of nuclear physics and black magic, to unlock another dimension which is holding a group of ancient evil demons captive. Published between 2005 and 2012, it is an updated re-imagining of Horowitz's Pentagram series, which the author had left unfinished in the 1980s after he only wrote four of the five planned books in the series b176ad5a42

Oblivion marks a significant change in the narrative, being the only novel in the series set in the future - The novel is narrated in third-person in some places, switching between the points of view of Matt, Pedro, Scott, Jamie and Scarlett, while in others places, it is narrated in first-person by brand new character called Holly. b176ad5a42 Run WPCleaner in
