English language The namesake of the language is the Angles, one of the Germanic peoples that migrated to Britain after its Roman occupiers left. It is the most widely learned second language in the world, with more second-language speakers than native speakers. However, English is only the third-most spoken native language, after Mandarin Chinese and Spanish. "I was running"), and compound tenses such as preterite perfect ("I had been running") English is a West Germanic language that emerged in early medieval England and has since become a global lingua franca. English is the most spoken language in the world, primarily due to the global influences of the former British Empire (succeeded by the Commonwealth of Nations) and the United States. contrast between a perfect and non-perfect past tense ("I have run" vs 6d7eacf97f
