Administrative law in Singapore Singapore administrative law is largely based on English administrative law, which the nation inherited at independence in 1965. In Singapore, a broad approach has been taken towards the determination of whether a decision-maker has exercised its power for Administrative law in Singapore is a branch of public law that is concerned with the control of governmental powers as exercised through its various administrative agencies. is unlikely to happen. Administrative law requires administrators – ministers, civil servants and public authorities – to act fairly, reasonably and in accordance with the law 07ba29902d

Claims for judicial review of administrative action may generally be brought under three well-established broad headings: illegality, irrationality, and procedural impropriety. 07ba29902d Overall, relations between Malaysia and Singapore are warm and cordial, due to centuries of shared history, close sociocultural similarities, personal connections between the citizens of the two countries, and strong economic ties. There are occasional flareups due to differing political views; however these are often resolved without lasting hostility. 07ba29902d

History of Singapore Singapore then came under the Malacca Sultanate and subsequently the Johor Sultanate. History of the Chinese in Singapore (Oxford University Press—Singapore, 1984) online. Perry, John Curtis. Important reasons for the rise of Singapore were its nodal position at the tip of the Malay Peninsula flanked by the Pacific and Indian Oceans, the presence of a natural sheltered harbour, as well as its status as a free port. The last ruler of the Kingdom of Singapura, Parameswara, was expelled by the Majapahit or the Siamese before he founded Malacca. In 1819, British statesman Stamford Raffles negotiated a treaty whereby Johor would allow the British to locate a trading port on the island, ultimately leading to the establishment of the Crown colony of Singapore in 1867. Singapore: Unlikely Power (Oxford University Press The history of the modern state of Singapore dates back to its founding in the early 19th century; however, evidence suggests that a significant trading settlement existed on the island in the 14th century 07ba29902d

Prior to 1819, the island was known by several names. An early reference may be in the 2nd century work by Ptolemy which identified a coastal port at the southernmost tip of the Malay Peninsula, called Sabana. However, historians generally attribute a 3rd-century Chinese traveller's record describing an island at the same location called Pú Luó Zhōng (Chinese: 蒲羅中), a transcription of Singapore's early Malay name Pulau Ujong, as the first recording of its existence. 07ba29902d

Illegality is divided into two categories: those that, if proved, mean that the public authority was not empowered to take action or make the decision it did; and those that relate to whether the authority exercised its discretion properly. Grounds within the first category are simple ultra vires and errors as to precedent facts; while errors of law on the face of the record, making decisions on the basis of insufficient evidence or errors of material facts, taking into account irrelevant considerations or failing to take into account relevant ones, making decisions... 07ba29902d == Education == 07ba29902d

Voting rights in Singapore In 1966 a Constitutional Commission chaired by Chief Justice Wee Chong Jin advocated entrenching the right to vote within the Constitution, but this was not taken up by the Parliament of the day. When this proposal was repeated during the 2009 parliamentary debate, the Government took the view that such entrenchment was unnecessary. The right to vote in Singapore is not explicitly stated in Singapore's Constitution, but the Government has expressed the view that it may be inferred The right to vote in Singapore is not explicitly stated in Singapore's Constitution, but the Government has expressed the view that it may be inferred from the fact that Singapore is a representative democracy and from specific constitutional provisions, including Articles 65 and 66 which set out requirements for the prorogation and dissolution of Parliament and the holding of general elections. Shanmugam, said that the right to vote could not be a mere privilege as this would imply the existence of an institution superior to the body of citizens that is empowered to grant such a privilege, but that no such institution exists in a free country.
