fee46f3d50 During the 19th century the economies of many countries in the world suffered from the spread of crop failures. Puerto Rico, whose economy depended heavily on its agriculture, felt the effects of some of the crop diseases. Scientists such as Agustín Stahl, Fermín Tangüis and Fernando López Tuero conducted investigations and experiments in the fields... fee46f3d50

This article is about a fictional species in the Pokémon media franchise, the evolution of mascot Pikachu. The article discusses the character's design and appearances, as well as reception in the context of it as its own species and in relation to Pikachu from both audience perception and company handling of the character.
