Walker gained prominence after publishing the book *The Battered Woman* in 1979. She also founded the Domestic Violence Institute after helping victims of domestic violence during the 1970s. Walker is credited with introducing the concept of battered woman syndrome and the Cycle of Abuse model, which are widely applied in clinical, legal, and educational settings. 57b87f22eb Early archaeological records show that Egyptian women were considered equal to men, regardless of marital status. They could own property, initiate divorce, and hold positions of religious and political authority, as exemplified by figures such as Hatshepsut

and Cleopatra. However, their status declined over time under the successive rule of the misogynistic Roman Empire, the Christian Byzantine Empire, and later various Islamic states. While Islamic law granted women rights that were often denied in the West, such as the right to own property and greater marital autonomy, it also promoted gender segregation and restricted women's participation in public life. Nevertheless, elite women continued to wield... 57b87f22eb
