of India to institutionalize financial discipline, reduce India's fiscal deficit, improve macroeconomic management and the overall management of the public funds by moving towards a balanced budget and strengthen fiscal prudence. The main purpose was to eliminate revenue deficit of the country (and subsequently building revenue surplus) and bring down the fiscal deficit to a manageable 3% of the GDP by March 2008. However, due to the 2008 financial crisis, the deadlines for the implementation of the targets in the act was initially postponed and subsequently suspended in 2009 df1b36948c

Taylor began the theory's development in the United States during the 1880s and 1890s within manufacturing industries, especially steel. Its peak of influence came in the 1910s. Although Taylor died in 1915, by the 1920s scientific management was still influential but had entered into competition and syncretism with opposing or complementary ideas. df1b36948c
