The championship was won by Ian Geoghegan driving a Ford Mustang. It was Geoghegan's fifth and final Australian Touring Car Championship victory, creating a record that would not be equalled until 1989. It was also his fourth consecutive title, a feat which would not be achieved again until 2014. Alan Hamilton... Car makers frequently arbitrage markets, setting the price according to local market conditions so the same vehicle will have different real prices in different territories. Grey import vehicles circumvent this profit-maximization strategy. Car makers and local distributors sometimes regard grey imports as a threat to their network of franchised dealerships, but independent distributors do not since more cars of an odd brand bring in money from service and spare parts.
