Hope (Watts) Hope proved popular with the Aesthetic Movement, who considered beauty the primary purpose of art and were unconcerned by the ambiguity of its message. The background is almost blank, its only visible feature a single star. While his use of colour in Hope was greatly admired, at the time of its exhibition many critics disliked the painting. Radically different from previous treatments of the subject, it shows a lone blindfolded female figure sitting on a globe, playing a lyre that has only a single string remaining. Watts intentionally used symbolism not traditionally associated with hope to make the painting's meaning ambiguous. Reproductions in platinotype, and later. moved. Obama took "The Audacity of Hope" as the theme of his 2004 Democratic National Convention keynote address, and as the title of his 2006 book; he based Hope is a Symbolist oil painting by the English painter George Frederic Watts, who completed the first two versions in 1886
