Truth commission In both their truth-seeking and reconciling functions, truth commissions have political implications: they "constantly make choices when they define such basic objectives as truth, reconciliation, justice, memory, reparation, and recognition, and decide how these objectives should be met and whose needs should. Truth commissions are, under various names, occasionally set up by states emerging from periods of internal unrest, civil war, or dictatorship marked by human rights abuses. A truth commission, also known as a truth and reconciliation commission or truth and justice commission, is an official body tasked with discovering and A truth commission, also known as a truth and reconciliation commission or truth and justice commission, is an official body tasked with discovering and revealing past wrongdoing by a government (or, depending on the circumstances, non-state actors also), in the hope of resolving conflict left over from the past 4048985658
