Alice Corp. v. CLS Bank International The issue in the case was whether certain patent claims for a computer-implemented, electronic escrow service covered abstract ideas, which would make the claims ineligible for patent protection. 208 (2014), was a 2014 United States Supreme Court decision about patent eligibility of business method patents. initial, limited discovery on the questions of CLS Bank's operations and its relationship to the allegedly infringing CLS Bank system, the court ruled on the Alice Corp. CLS Bank International, 573 U. v. S. The patents were held to be invalid, because the claims were drawn to an abstract idea, and implementing those claims on a computer was not enough to transform that abstract idea into patentable subject matter 67bd8db0f6
