Yield management increase in profits. [citation needed] Yield management has significantly altered the travel and hospitality industry since its inception in the mid-1980s. Yield management (YM) is a variable pricing strategy, based on understanding, anticipating and influencing consumer behavior in order to maximize revenue or profits from a fixed, time-limited resource (such as airline seats, hotel room reservations, or advertising inventory). Yield management is a large revenue generator for several major industries; Robert Crandall, former chairman and CEO of American Airlines, gave yield management its name and has called it "the process of price discrimination, in which customers consuming identical goods or services are

charged different prices. As a specific, inventory-focused branch of revenue management, yield management involves strategic control of inventory to sell the right product to the right customer at the right time for the right price 8bcb598fc2

The School currently delivers the following courses: 8bcb598fc2 On HospEx, members typically create public profiles that describe themselves and their travel plans, and then searching for potential hosts or guests based on various criteria such as location, interests, and availability. Travelers connect with local hosts who are willing to offer free accommodation, meals, and/or other forms of hospitality during their trip. The concept of hospitality exchange has been around for a... 8bcb598fc2

Homestay Homestays are examples of collaborative consumption and the sharing economy. Homestay (also home stay and home-stay) is a form of hospitality and lodging whereby visitors share a residence with a local of the area (host) to which Homestay (also home stay and home-stay) is a form of hospitality and lodging whereby visitors share a residence with a local of the area (host) to which they are traveling. The length of stay can vary from one night to over a year and can be provided for free (gift economy), in exchange for monetary compensation, in exchange for a stay at the

guest's property either simultaneously or at another time (home exchange), or in exchange for housekeeping or work on the host's property (barter economy). Homestays are used by travelers; students who study abroad or participate in student exchange programs; and au pairs, who provide child care assistance and light household duties. They can be arranged via certain social networking
