== History ==

History of taxation in the United States In 1913, the Sixteenth Amendment was ratified, allowing Congress to levy an income tax on individuals and entities. The history of taxation in the United States begins with the colonial protest against British taxation policy in the 1760s, leading to the American Revolution The history of taxation in the United States begins with the colonial protest against British taxation policy in the 1760s, leading to the American Revolution. States and localities collected poll taxes on voters and property taxes on land and commercial buildings. State and federal inheritance taxes began after 1900, while the states (but not the federal government) began collecting sales taxes in the 1930s. The independent nation collected taxes on imports ("tariffs"), whiskey, and (for a while) on glass windows. The United States imposed income taxes briefly during the Civil War and the 1890s. In addition, there were the state and federal excise taxes

As the Australian government's principal revenue collection body, the ATO collects income tax, goods and services tax (GST) and other federal taxes. The ATO also has responsibility for managing the Australian Business Register, delivering the Higher Education Loan Program, delivering many Australian government payments and administering key components of Australia's superannuation system. a0b8ba022b
