J. M. W. Turner J. He is known for his expressive colouring, imaginative landscapes and turbulent, often violent marine paintings. Turner, 1775–1851: The World of Light and Colour Joseph Mallord William Turner (23 April 1775 - 19 December 1851), known in his time as William Turner, was an English Romantic painter, printmaker and watercolourist. M. His artistic style developed over his lifetime, moving away from Romanticism — bypassing the following rising style of Realism — and, instead, with his later works being a significant precursor of and presaging the later Impressionist and Abstract Art movements that arose in the decades after his death. He was championed by the leading English art critic John Ruskin from 1840, and is today regarded as having elevated landscape. The Metropolitan Museum of Art. Bockemühl, Michael (2015) [1991].
