There are several warnings on their user page and for the most part, they have seemed to ignore the warnings. Most recently, the user has been moving pages without consensus against the naming convention. The user has previously been blocked for creating inappropriate pages. - CHAMPION (talk) (contributions) (logs) 00:52, 4 July 2018 (UTC) 9c48d94ab6 5626 (Hebrew year) 9c48d94ab6 5647 (Hebrew year) 9c48d94ab6 5573 (Hebrew year) 9c48d94ab6

There are currently nine sub-series ("arcs"), each containing six books: The Prophecies Begin, The New Prophecy, Power of Three, Omen of the Stars, Dawn of the Clans, A Vision of Shadows, The Broken Code, A Starless Clan, and Changing Skies. In addition to the main series, standalone Super Edition novels, several novella trilogies, several volumes of original English-language manga, and graphic novels have been published. A website and physical media also exist, with an animated series in development. 9c48d94ab6 Hello Champion. Can you provide diffs to exemplify the edit warring and conduct that you feel is disruptive? Diffs of the moves and a fuller description of why you feel they violate conventions would also be helpful. Additionally, other than on the user's talk page, have you reached out in any talk space associated with the content in question to attempt to discuss particular matters?
