

Life On A Plantation Historic Communities

Wormsloe Historic Site The site includes a 1. The Wormsloe State Historic Site, originally known as Wormsloe Plantation, is a state historic site near Savannah, Georgia, in the southeastern United States. 5-mile (2. The site consists of 822 acres (3. 4 km) dirt road lined with southern live oaks, the ruins of a small house with fortified walls built of tabby, a museum, and an area with recreations of colonial structures such as a blacksmithing forge and a house similar to those first built in the colony of Georgia (or as housing for enslaved people). 33 km2), protecting part of what was once the Wormsloe Plantation, a large estate established by one of the founders of colonial Georgia, Noble Jones

In 1866, after the Civil War, it was sold to businessman Bradish Johnson. He renamed it Whitney Plantation in honor of his daughter who had married into the Whitney family. In 1736, Jones obtained a grant for 500 acres (2.0 km2) of land on the Isle of Hope which would form the core of Wormsloe...

Oakland Plantation (Natchitoches Parish, Louisiana) The Oakland Plantation is now owned by the National Park Service as part of the Cane River Creole National Historical Park. Founded as a forced-labor farm worked by enslaved Black people for White owners, it is one of the nation's best and most intact examples of a French Creole cotton plantation complex. Oakland Plantation, originally known as the Jean Pierre Emmanuel Prud'homme Plantation, and also known as Bermuda, is a historic plantation in an unincorporated area of Natchitoches Parish, Louisiana

Kingsley Plantation Kingsley Plantation (also known as the Zephaniah Kingsley Plantation Home and Buildings) is the site of a former estate on Fort George Island, in Duval County, Florida, that was named for its developer and most famous owner, Zephaniah Kingsley, who spent 25 years there. It is located at the northern tip of Fort George Island at Fort George Inlet, and is part of the Timucuan Ecological and Historic Preserve managed by the U. It is also "the oldest surviving antebellum Spanish Colonial plantation in the United States." S. Kingsley's house is the oldest plantation house still standing in Florida, and the solidly-built village of slave cabins is one of the best preserved in the United States. National Park Service

Melrose Plantation The land was granted to Louis Metoyer, who had the "Big House" built beginning about 1832. He was a son of Marie Thérèse Coincoin, a former slave who became a wealthy businesswoman in the area, and Claude Thomas Pierre Métoyer. The house was completed in 1833 after Louis' death by his son Jean Baptiste Louis Metoyer. The Métoyer family was derived from Marie, a former slave, and Claude, a French military gentleman who

bought. The Metoyers were free people of color for four generations before the American Civil War. This is one of the largest plantations in the United States built by and for free people of color. Melrose Plantation, also known as Yucca Plantation, is a National Historic Landmark located in the unincorporated community of Melrose in Natchitoches Parish in north central Louisiana df75bf7e7b

The plantation originally occupied the entirety of Fort George Island, described... df75bf7e7b

Plantation complexes in the Southern United States Plantation complexes were common on agricultural plantations in the Southern United States from the 17th into the 20th century. Until the abolition of slavery, such plantations were generally self-sufficient settlements that relied on the forced labor of enslaved people. The complex included everything Plantation complexes were common on agricultural plantations in the Southern United States from the 17th into the 20th century. The complex included everything from the main residence down to the pens for livestock df75bf7e7b

Tuckahoe (plantation) Thomas Jefferson is also recorded as having spent some of his childhood here. Tuckahoe, also known as Tuckahoe Plantation, or Historic Tuckahoe is located in Tuckahoe, Virginia on Route 650 near Manakin Sabot, Virginia, overlapping Tuckahoe, also known as Tuckahoe Plantation, or Historic Tuckahoe is located in Tuckahoe, Virginia on Route 650 near Manakin Sabot, Virginia, overlapping both Goochland and Henrico counties, six miles from the town of the same name. Built in the first half of the 18th century, it is a well-preserved example of a colonial plantation house and is particularly distinctive as a colonial prodigy house. It was declared a National Historic Landmark in 1969 df75bf7e7b

Today, as was also true in the past, there is... df75bf7e7b Plantations are an important aspect of the history of the Southern United States, particularly before the American Civil War. The mild temperate climate, plentiful rainfall, and fertile soils of the Southeastern United States allowed the flourishing of large plantations, where large numbers of enslaved Africans were held captive and forced to produce crops to create wealth for a white elite. df75bf7e7b

Plantation, Florida The city's name comes from the previous part-owner of the land, the Everglades Plantation Company, and their unsuccessful attempts to establish a rice plantation in the area. As of the 2020 US census, the population was 91,750. The city's name comes from the previous Plantation is a city in Broward County, Florida, United States. Plantation is a city in Broward County, Florida, United States. It is a part of the South Florida metropolitan area. It is a part of the South Florida metropolitan area df75bf7e7b

Whitney Plantation Historic District The district, including the main house and outbuildings, is preserved near Wallace, in St. What was originally known as Habitation Haydel was founded in 1752 by Ambroise Heidal, one of the many German immigrants who colonized the river parishes in the 18th century. The Whitney Plantation Historic District is preserved by the Whitney Institute, a non-profit whose mission is to educate the public about the history The Whitney Plantation Historic District is preserved by the Whitney Institute, a non-profit whose mission is to educate the public about the history and legacies of slavery in the Southern United States. His descendants owned it until 1860. John the Baptist Parish, Louisiana, on the River Road along the

Mississippi River df75bf7e7b

In modern use, the term usually refers only to large-scale estates. Before about 1860, it was the usual term for a farm of any size in the southern parts of British North America, with, as Noah Webster noted, "farm" becoming the usual term from about Maryland northward. The enslavement of people was the norm in Maryland... df75bf7e7b

Haile Plantation, Florida Haile Plantation, an unincorporated community and New Urbanist planned development, is a 2,600-household, 1,700-acre (690 ha) development of regional impact Haile Plantation, an unincorporated community and New Urbanist planned development, is a 2,600-household, 1,700-acre (690 ha) development of regional impact southwest of the city of Gainesville, within Alachua County, Florida, United States df75bf7e7b

It has been listed on the National Register of Historic Places since August 29, 1979. It is designated as a notable destination on the state's Louisiana African American Heritage Trail. It was designated a National Historic Landmark on January 3, 2001. df75bf7e7b

Plantation Protectionist policies and natural comparative advantage have sometimes contributed to determining where plantations are located. Plantations, centered on a plantation house, grow crops including cotton, cannabis, tobacco Plantations are farms specializing in cash crops, usually mainly planting a single crop, with perhaps ancillary areas for vegetables for eating and so on. perhaps ancillary areas for vegetables for eating and so on. Plantations, centered on a plantation house, grow crops including cotton, cannabis, tobacco, coffee, tea, cocoa, sugar cane, opium, sisal, oil seeds, oil palms, fruits, rubber trees and forest trees df75bf7e7b
