Wikipedia:Language learning centre/Word list You can use the list to generate your own lists in whatever language you're learning and to test yourself. stellar stellated stem stemmed stemming stems stench stenches stencil stencilled stencils stenographer stenographers stenographic stenography stenosis Drawing up a comprehensive list of words in English is important as a reference when learning a language as it will show the equivalent words you need to learn in the other language to achieve fluency. A big list will constantly show you what words you don't know and what you need to work on and is useful for testing yourself. Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource 5e57e6e2d8

 Members of the peace movement within the United States at first consisted of many students, mothers, and anti-establishment youth. Opposition grew with the participation of leaders and activists of the civil rights, feminist, and Chicano movements, as well as sectors of organized labor. Additional involvement came from many other groups, including educators, clergy, academics, journalists, lawyers, military veterans, physicians (notably Benjamin Spock), and others.

Che Guevara in popular culture Most commonly he is represented by a facial caricature originally by Irish artist Jim Fitzpatrick and based on Alberto Korda's famous 1960 photograph titled Guerrillero Heroico. Che Guevara's image is viewed as everything from an inspirational icon of revolution, to a retro and vintage logo. Communication Arts magazine features yellow and black stencil outline of Che, but his beret star is replaced with a Nike swoosh logo, and he is wearing the iconic Appearances of Argentine Marxist revolutionary Che Guevara (1928–1967) in popular culture are common throughout the world. Although during his lifetime he was a highly politicized and controversial figure, in death his stylized image has been transformed into a worldwide emblem for an array of causes, representing a complex mesh of sometimes conflicting narratives. The evocative simulacra abbreviation of the photographic portrait allowed for easy reproduction and instant recognizability across various uses
