She is currently performing on the independent circuit for promotions such as Shimmer Women Athletes, where she is a former two-time Shimmer Champion 18d0f8beca

Amazon Elastic Compute Cloud EC2 encourages scalable deployment of applications by providing a web service through which a user can boot an Amazon Machine Image (AMI) to configure a virtual machine, which Amazon calls an "instance", containing any software desired. A user can create, launch, and terminate server-instances as needed, paying by the second for active servers - hence the term "elastic". In November 2010, Amazon switched its own retail website platform to EC2 and AWS. EC2 provides users with control over the geographical location of instances that allows for latency optimization and high levels of redundancy. Amazon Elastic Compute Cloud (EC2) is a part of Amazon's cloud-computing platform, Amazon Web Services (AWS), that allows users to rent virtual computers Amazon Elastic Compute Cloud (EC2) is a part of Amazon's cloud-computing platform, Amazon Web Services (AWS), that allows users to rent virtual computers on which to run their own computer applications 18d0f8beca

Parler neutrality when it came to Internet infrastructure providers such as Amazon AWS and app stores. Journalists described Parler as an alt-tech alternative to Twitter, with its users including those banned from mainstream social networks or who oppose their moderation policies. Evelyn Douek, a lecturer and content moderation researcher Parler (pronounced "parlor") is an American alt-tech social networking service associated with conservatives. Launched in August 2018, Parler marketed itself as a free speech-focused and unbiased alternative to mainstream social networks such as Twitter and Facebook 18d0f8beca

The company was founded in 1994 by John W. Stanton of the Western Wireless Corporation as VoiceStream Wireless. Deutsche Telekom then gained plurality ownership in 2001 and renamed it after its global T-Mobile brand. As of April 2023, the German company holds a 51.4% stake in the company. 18d0f8beca Anderson's father wrestled professionally in the early 1980s. Growing up she became a fan of her father's work and began showing an aptitude for sports, particularly soccer, as well as joining Palmdale High School's athletics and amateur wrestling team as one of only four girls. When only 15, she had already become involved in the wrestling business, traveling to San Bernardino frequently to train in and work for the wrestling school of Billy Anderson, her father's former tag team partner, as well as involving herself in the running of things and before long she made her debut front of stage. Despite touring so young, Anderson... 18d0f8beca

Criticism of Amazon According to Forbes Amazon has been criticized on many issues, including anti-competitive business practices, its treatment of workers, offering counterfeit or plagiarized products, objectionable content of its books, tax and subsidy deals with governments supplying law enforcement with facial recognition surveillance tools; forming cloud computing partnerships with the CIA; leading customers away from bookshops; adversely impacting the environment; placing a low priority on warehouse conditions for workers; actively opposing unionization efforts; remotely deleting content purchased by Amazon Kindle users; taking public subsidies; seeking to patent its 1-Click technology; engaging in anti-competitive actions and price discrimination; and reclassifying LGBTQ books as adult content. immigrants and hosted on Amazon's AWS cloud. Criticism has also concerned various decisions over whether to censor or publish content such as the WikiLeaks website, works containing libel, anti-LGBT merchandise, and material facilitating dog fighting, cockfighting, or pedophile activities. In June 2018, Amazon employees signed a letter demanding that the company drop Palantir from AWS 18d0f8beca
