Western philosophy (1986), A History of Ancient Philosophy: From the Origins to Socrates, SUNY Press, ISBN 0-88706-290-3 Russell, Bertrand (1945). A History of Western Philosophy Western philosophy refers to the philosophical thought, traditions, and works of the Western world. The word philosophy itself originated from the Ancient Greek φιλοσοφία (philosophía), literally, 'the love of wisdom', from Ancient Greek: φιλεῖν (phileîn), 'to love', and σοφία (sophía), 'wisdom'. Historically, the term refers to the philosophical thinking of Western culture, beginning with the ancient Greek philosophy of the pre-Socratics e558f99e3f

The philosophy of literature, a subset of aesthetics, examines the nature of art and the significance of verbal arts, often overlooked in traditional aesthetic discussions. It raises philosophical questions about narrative, empathy, and ethics through fictional characters. Philosophers like Plato critiqued literature's ethical influence, while modern thinkers explore language's role in bridging minds and the truth in fiction, differentiating between the reality of characters and their narratives. e558f99e3f

19th-century philosophy ISBN 0-385-47046-0 In the 19th century, the philosophers of the 18th-century Enlightenment began to have a dramatic effect on subsequent developments in philosophy. Key ideas that sparked changes in philosophy were the fast progress of science, including evolution, most notably postulated by Charles Darwin, Alfred Russel Wallace and Jean-Baptiste

Lamarck, and theories regarding what is today called emergent order, such as the free market of Adam Smith within nation states, or the Marxist approach concerning class warfare between the ruling class. Copleston, Frederick. Also, in a reaction to the Enlightenment, a movement called Romanticism began to develop towards the end of the 18th century. In particular, the works of Immanuel Kant gave rise to a new generation of German philosophers and began to see wider recognition internationally. Existentialism is associated with several 19th- and 20th-century European philosophers who shared an emphasis on the human subject, despite often profound differences in thought. Among the 19th-century figures now associated with existentialism are philosophers Søren Kierkegaard and Friedrich Nietzsche, as well as novelist Fyodor Dostoevsky, all of whom critiqued rationalism and concerned themselves with the problem of meaning. The word existentialism... e558f99e3f

Existentialism the term to Kierkegaard, and yet others extend it as far back as Socrates. The labels Existentialism is a family of philosophical views and inquiry that explore the human individual's struggle to lead an authentic life despite the apparent absurdity or incomprehensibility of existence. In examining meaning, purpose, and value, existentialist thought often includes concepts such as existential crises, angst, courage, and freedom. However, it is often identified with the philosophical views of Sartre e558f99e3f

Western philosophy originated with an inquiry into the fundamental nature of the cosmos in Ancient Greece. Subsequent philosophical developments covered a wide range of topics including the nature of reality and the mind, how people should act, and how to arrive at knowledge. The medieval period was focused more on theology. The Renaissance period saw a renewed interest in Ancient Greek philosophy and the emergence of humanism. The modern period was characterized by an increased focus on how philosophical and scientific knowledge is created. One basic distinction is:. Various understandings of this distinction have evolved through the work of philosophers over centuries e558f99e3f

Something is subjective if it is dependent on minds (such as biases, perception, emotions,

opinions, imaginary objects, or conscious experiences). If a claim is true exclusively when considering the claim from the viewpoint of a sentient being, it is subjectively true. For example, one person may consider the weather to be pleasantly warm, and another person may consider the same weather to be too hot; both views are subjective. e558f99e3f
