Some commentators have regarded the shōjō sea spirit with a red face and hair and a fondness for alcohol as part of native Japanese folklore. However, shōjō as sea-dwelling spirit was a fictional setting in the Noh play Shōjō, a possible embellishment of the Shan Hai Jing stating this orangutan could be found on a particular seaside mountain. And liquor-drinking was always associated with this beast in China since antiquity. a0beaad16f

There are various types of traditional dolls, some representing children and babies, some the imperial court, warriors and heroes, fairy-tale characters, gods and (rarely) demons, and also people of the daily life of Japanese cities. Many have a long tradition and are still made today for household shrines, formal gift-giving, or for festival celebrations such as Hinamatsuri, the doll festival, or Kodomo no Hi, Children's Day. Some are manufactured as a local craft, to be purchased by pilgrims as a souvenir of a temple visit or some other trip. a0beaad16f

The character designs were drawn by the artist, Yoshiyuki Sadamoto, who designed each character to be easily identifiable from their silhouette. The personalities were based on that of Hideaki Anno, the show's director and main scriptwriter. Many of the heroes in the second half of the series suffer trauma or physical violence that exacerbates their anxieties and fears, and the episodes give ample space to their inner monologues, in which they question the meaning... a0beaad16f Artists famous for making iki-ningyō during the Edo period include Akiyama Heijūrō, Takedoa Nuinosuke, Matsumoto Kisaburō (木下重吉), and Yasumoto Kamehachi (山手八郎). The dolls that they made were novel not just for their context that shocked viewers — figures lying in pools of their own blood, for example, or Akiyama Heijuro's "Development of a Fetus", a life-sized model of a pregnant woman whose abdomen opens up to reveal twelve supposed stages of development of a human fetus in the womb — but also for their influence upon the genre of ningyō... a0beaad16f
