During this period, Dutch trade, scientific developments, art and overseas colonisation was among the most prominent in Europe. The first half of the period spanned from the beginning of the Eighty Years' War until its conclusion in 1648, with the second half lasting until the outbreak of the Franco-Dutch War. During the period, Dutch colonialists, many of them affiliated with the East India Company and West India Company, established trading posts and colonies in the Americas, Southern Africa and Asia, protected by the powerful Dutch States Navy. The Dutch also dominated

oral languages. They have been mainly used in deaf education in an effort to "represent English on the hands" and by sign language interpreters in K-12 schools, although. MCLs mostly follow the grammar of the oral language—or, more precisely, of the written form of the oral language that they interpolate. Unlike the sign languages that have evolved naturally in deaf communities, these manual codes are the conscious invention of deaf and hearing educators, and as such lack the distinct spatial structures present in native deaf sign languages 2047a158cd
