List of English inventions and discoveries Often, things discovered for the first time are also called inventions and in many cases, there is no clear line between the two. Nonetheless, science and technology in England continued to develop rapidly in absolute terms. Furthermore, according to a Japanese research firm, over 40% of the world's inventions and discoveries were made in the UK, followed by France with 24% of the world's inventions and discoveries made in France and followed by the US with 20%. English inventions and discoveries are objects, processes or techniques invented, innovated or discovered, partially or entirely, in England by a person English inventions and discoveries are objects, processes or techniques invented, innovated or discovered, partially or entirely, in England by a person from England 533dc5721f

Dive computer Dive computers are a development from decompression tables, the diver's watch and depth gauge, with greater accuracy and the ability to monitor dive profile data in real time. Seiko DH33 Instructions Manual, Seiko heinrichs weikamp DR5 Owner&#039;s Manual (PDF) (Report). Freiburg: heinrichs weikamp. A secondary function is to record the dive profile, warn

the diver when certain events occur, and provide useful information about the environment. Retrieved 26 August 2025. 2012 A dive computer, personal decompression computer or decompression meter is a device used by an underwater diver to measure the elapsed time and depth during a dive and use this data to calculate and display an ascent profile which, according to the programmed decompression algorithm, will give a low risk of decompression sickness 533dc5721f
