Outliers (book) The Story of Success is a non-fiction book written by Canadian writer Malcolm Gladwell and published by Little, Brown and Company on November 18, 2008 Outliers: The Story of Success is a non-fiction book written by Canadian writer Malcolm Gladwell and published by Little, Brown and Company on November 18, 2008. To support his thesis, he examines why the majority of Canadian ice hockey players are born in the first few months of the calendar year, how Microsoft co-founder Bill Gates achieved his extreme wealth, how the Beatles became one of the most successful musical acts in human history, how two people with exceptional intelligence—Christopher Langan and J. Robert Oppenheimer—end up with such vastly different fortunes, how Joseph Flom built Skadden, Arps, Slate, Meagher & Flom into one of the most successful law firms in the world, and how cultural differences. In Outliers, Gladwell examines the factors that contribute to high levels of success

Richard Wayne Penniman (December 5, 1932 – May 9, 2020), better known by his stage name Little Richard, was an American singer-songwriter and pianist. He influenced singers and musicians across musical genres from rock to hip hop; his music helped shape rhythm and blues for generations. Referred to as the "Architect of Rock and Roll", Richard's most celebrated work dates from the mid-1950s, when his charismatic showmanship and dynamic music, characterized by frenetic piano playing, pounding backbeat and powerful raspy vocals, laid the foundation for rock and roll. He was an influential figure in popular music and culture for seven decades

The subject was inspired by Mary Alice "Allie" Smith, an orphan living in the Riley home during her childhood. The poem contains four stanzas; the first introduces Annie and the second and third are stories she is telling to young children. Each story tells of a bad child who is snatched away by goblins as a result of...
