

Curso De Direito Internacional Privado

Core

The higher education institutions of Portugal grant licentiate, master's and doctoral academic degrees, with the last one being reserved to be granted only by the university institutions. Higher education in state-run educational establishments is provided on a competitive basis, and a system of *numerus clausus* is enforced through a national database on student admissions. In addition, every higher education institution offers also a number of additional vacant places through other extraordinary admission processes for sportsmen, mature...
