While the early installments were initially created as stand-alone films based on published novels, their financial and critical success resulted in various cross-over releases between the monsters, as well as other properties such as Abbott and Costello. Following the positive response to various viewings of these films via television redistribution which began airing in the 1950s, the studio began developing the characters for other media. In the 1990s, it became priority for Universal to promote their catalogue with official packaging that presented films with the official franchise title... e0c759d7c3

Assyrian culture and identity appear to have survived the violent collapse of the Neo-Assyrian Empire in 609 BC. During the long post-imperial period (6th century BC – 3rd century AD), when Assyria was also known as Athura, Provincia Assyria, and Asoristan, the Akkadian language gradually went extinct, completely disappearing by the 1st century AD. However, other aspects of the Assyrian civilization, such as religion, traditions, naming patterns, and the Akkadian-influenced dialects of East Aramaic survived in a reduced but recognizable form, before giving way to specifically native forms of Eastern Rite Christianity. 1934 Appalachian State Mountaineers football team Good content: 1941 Appalachian State Mountaineers football team Engineering and technology Computing and engineeringTransport Good articles Social sciences and society Culture, sociology, and psychologyEducationEconomics and businessLawPolitics and government Good article reassessment (GAR) Good article tools Good article mentorship Good article criteria Philosophy and religion PhilosophyReligion Last updated 18 March 2010. Out of the 7,233,277 articles on Wikipedia, 44,747 are categorized as good articles (about 0.62% or 1 in 162), which are listed below. An additional 6,995 are listed as featured articles (about 1 in 1,040) and 4,845 as featured lists (about 1 in 1,500). Because articles are only included in one category, a good article that has been promoted to featured status is removed from the good articles category. Adding good and featured articles and lists together gives a total of 56,587 articles (about 0.78% or

1 in 128). A small green icon of a plus sign inside a circle (+) appears in the top-right corner of the article indicating that the article is good.
