Social justice Social Justice: Theories, Issues, and Movements. In Western and Asian cultures, the concept of social justice has often referred to the process of ensuring that individuals fulfill their societal roles and receive their due from society. In the current movements for social justice, the emphasis has been on the breaking of barriers for social mobility, the creation of safety nets, and economic justice. Social justice assigns rights and duties in the institutions of society, which enables people to receive the basic benefits and burdens of cooperation. The relevant institutions

often include taxation, social insurance, public health, public school, public services, labor. Loretta; Milovanovic, Dragan. Theology It is taught Theology is the study of religious belief from a religious perspective, with a focus on the nature of divinity and the history behind religion. It is taught as an academic discipline, typically in universities and seminaries. Revelation pertains to the acceptance of God, gods, or deities, as not only transcendent or above the natural world, but also willing and able to interact with the natural world and to reveal themselves to humankind. It occupies itself with the unique content of analyzing the supernatural, but also deals with religious epistemology, asks

and seeks to answer the question of revelation. Theology is the study of religious belief from a religious perspective, with a focus on the nature of divinity and the history behind religion
