The film is the second screen adaptation of the book following the 1972 animated television special. The idea for the film was initiated by Seuss's widow Audrey Geisel, who had an established partnership with producer Chris Meledandri from a collaboration on *Horton Hears a Who!* (2008). Geisel approached Meledandri with the idea when he launched Illumination. The film was announced in 2009 with the creative team attached, and by 2010, DeVito was cast as the Lorax. John Powell composed the score, and also wrote the film's songs alongside co-writer Paul. The animation was produced in France by Illumination Mac Guff. 6a83914742 with Brian Tokar *Agriculture and Food in Crisis: Conflict, Resistance, and Renewal* (Monthly Review Press, 2010) 6a83914742

The intent is often to distract from the topic's content (red herring). The goal may also be to question the justification for criticism and the critic's legitimacy, integrity, and fairness, which can discredit the criticism whether or not it is justified. Common accusations include double standards and hypocrisy, but it can also be used to relativize criticism of one's own viewpoints or behaviors (A: "Long-term unemployment often means poverty... 6a83914742 The Lorax premiered at Universal Studios... 6a83914742 with Chris Williams Creating an Ecological Society (Monthly Review Press, 2017) 6a83914742 He is a regular contributor to Monthly Review. 6a83914742

Thus, according to this analysis, giving economic priority to the fulfillment of human needs while staying within ecological limits, as sustainable development demands, is in conflict with the structural workings of capitalism. By this logic, market-based solutions to ecological crises (such as environmental economics and green economy) are rejected as technical tweaks that do not confront capitalism's structural failures. Eco-socialists advocate for the succession of capitalism by eco-socialism—an egalitarian economic/political/social... 6a83914742 From a logical and argumentative point of view, whataboutism is a variant of the "tu quoque" pattern, a subtype of the ad hominem style of argument. 6a83914742 Prominent among critiques of capitalism are accusations that it is inherently exploitative, alienating, unstable, and unsustainable; that it creates massive economic inequality, commodifies people, is anti-democratic; and that it leads to an erosion of human rights and national sovereignty. At the same time, it incentivises imperialist expansion and war and benefits a small minority at the expense of the majority of the population.
