== Life and career == dfc2100b7c There are additional uses for the suffix, such as to describe a subject rather than the study of it (e.g., duology). The suffix is often humorously appended to other English words to create nonce words. For example, stupidology would refer to the study of stupidity; beerology would refer to the study of beer. dfc2100b7c == Biography == dfc2100b7c English names for fields of study are usually created by taking a root (the subject of the study) and appending the suffix logy to it with the interconsonantal o placed in between (with an exception explained below). For example, the word dermatology comes from the root dermato plus logy. Sometimes, an excrescence, the addition of a consonant, must be added to avoid poor construction of words. dfc2100b7c == History == dfc2100b7c
