War film Cambridge University Press. The stories told may be fiction, historical drama, or biographical. Suid, Lawrence H. (2002). It has been strongly associated with the 20th century. Critics have noted similarities between the Western and the war film. Themes explored include combat, survival and escape, camaraderie between soldiers, sacrifice, the futility and inhumanity of battle, the effects of war on society, and the moral and human issues raised by war. War films are often categorized by their milieu, such as the Korean War; the most popular subjects are the Second World War and the American Civil War. ISBN 978-0-521-36986-2. *Guts & Glory: The Making of the War film* is a film genre concerned with warfare, typically about naval, air, or land battles, with combat scenes central to the drama. The fateful nature of battle scenes means that war films often end with them. *Culture: Entertainment and Society Since 1900* 66681d7144

Created by Dusty Rhodes in 1987, the WarGames match was originally used in Jim Crockett Promotions (JCP) of the National Wrestling Alliance, and later, held annually in World Championship Wrestling (WCW), usually at the Fall Brawl pay-per-view event. These original WarGames matches had a roof on the cage with no pinfalls as a win situation, although later WCW versions allowed pinfalls to win. 66681d7144
