== History == faae1ff94d There are three main ways that art therapy is employed. The first one is called analytic art therapy. Analytic art therapy is based on the theories that come from analytical psychology, and in more cases, psychoanalysis. Analytic art therapy focuses on the client, the therapist, and the ideas that are transferred between both of them through art. Another way that art therapy is used, is in art psychotherapy. This approach focuses more on the psychotherapists and their analyses of their clients' artwork verbally. The last way art therapy is looked at is through the lens of art as therapy. Some art therapists practicing art as therapy believe that analyzing the client's artwork verbally is not essential, therefore they stress the creation... faae1ff94d
