At the time settlers first came to the United States, the predominant medical system was humoral theory, or the idea that diseases are caused by an imbalance of bodily fluids. Settlers initially believed that they should only use medicines that fit in this medical system and were made out of "such things only as grown in England, they being most fit for English Bodies," as said in The English Physitian Enlarged, a medical handbook commonly owned by early settlers. However, as settlers were faced with new diseases and a scarcity of typical plants and herbs used to make therapies in England, they increasingly turned to local flora and Native American remedies as alternatives to European medicine... 9eef8e5cf4 Cleo is portrayed as being studious, sensible and witty. J. Edgar Hoover. The metaphorical term is the title of a 1968 essay by ecologist Garrett Hardin. Versions of this concept extend back to classical antiquity, being discussed by Aristotle. The principal concern of Hardin's essay was overpopulation of the planet. To prevent the inevitable tragedy (he argued) it was necessary to reject the principle (supposedly enshrined in the Universal Declaration of Human Rights) according to which every family has a right to choose the number of its offspring, and to replace it by "mutual coercion, mutually agreed upon". == Family == Harris and Klebold met while attending middle school and gradually became close. By their junior year of high school, they were described as best friends who were dependent on one another. Early reports characterized them as unpopular and frequent targets of bullying; however, many peers later stated that the two were not near the bottom of the school's social hierarchy, as both had numerous friends and active social lives. Columbine High School was alleged to have an intense "jock culture", in which popular students—primarily athletes—received preferential treatment from... On television, Ricci played Liza Bump on the final season of *Ally McBeal* (2002) and had a guest role on *Grey's Anatomy* in 2006, for which she received an Emmy Award nomination... Chrysippus is notable for his abduction by Laius, prince of Thebes who was warmly received at Pisa and Pelops' court but became infatuated with Chrysippus due to his good looks. Laius' actions would result in Pelops' terrible curse being cast over him and his descendants. Chrysippus' life was eventually cut short by his jealous half-brothers Atreus and Thyestes who murdered him in cold blood.

Tragedy of the commons General examples (some alluded to by Hardin) of potential and actual tragedies include: Uncontrolled human The tragedy of the commons is the idea that when a resource is shared and can benefit the individual at a cost to the community, it is rational for the individual to overuse the resource, even though this collectively leads to the depletion of the resource for everyone. another instance of the "tragedy of the commons". The concept has been widely discussed and criticized in economics, ecology, and other sciences

Ricci made her film debut at age ten in *Mermaids* (1990), which was followed by a breakout role as Wednesday Addams in *The Addams Family* (1991) and its 1993 sequel. Subsequent roles in *Casper* and *Now and Then* (both 1995) established her as a teen idol. In her late teens, she moved into adult-oriented projects such as *The Ice Storm* (1997), *Buffalo '66*, *The Opposite of Sex*, *Pecker* (all 1998), *200 Cigarettes*, and *Sleepy Hollow* (both 1999). Her other credits include *The Man Who Cried* (2000), *Prozac Nation* (2001), *Pumpkin* (2002), *Anything Else*, *Monster* (both 2003), *Cursed* (2005), *Penelope* (2006), *Black Snake Moan* (2006), *Speed Racer* (2008), *Bel Ami* (2012), and *The Matrix Resurrections* (2021). Some scholars have argued that over-exploitation of the common resource is by no means inevitable, since the individuals concerned may be able to achieve mutual restraint by consensus. Others have contended that the metaphor of a common pasture is inapposite or inaccurate because its exemplar...
