Online backup is a special kind of online storage service; however, various products that are designed for file storage may not have features or characteristics that others designed for backup have. Online Backup usually requires a backup client program. A browser-only online storage service is usually not considered a valid online backup service. 5c37bbe793 Online folder sync services can be used for backup purposes. However, some Online Folder Sync services may not provide a safe Online Backup. If a file is accidentally locally corrupted or deleted, it depends on the versioning features of a Folder Sync service, whether this file will still be retrievable. 5c37bbe793 Although the official introduction of the Precision line was in 1997 (with the first systems shipping in 1998), there were some systems released under the Precision name as early as 1992. Examples include the Precision 386SX/25 in 1992 and the Precision 433i in 1993. 5c37bbe793 On September 7, 2016, Dell Inc. acquired EMC Corporation to form Dell Technologies, restructuring the original Dell Inc. as a subsidiary of Dell Technologies. On March 19, 2018, Carbonite acquired Mozy from Dell for \$148.5 million in cash and in 2019 shut down the service, incorporating Mozy's clients into its own online backup service programs. 5c37bbe793
