Guide to deletion 1fed3d8678 Criticism of Islam has been present since its formative stages, and early expressions of disapproval were made by Christians, Jews, and some former Muslims like Ibn al-Rawandi. Subsequently, the Muslim world itself faced criticism after the September 11 attacks. 1fed3d8678 Slavery has been found in some hunter-gatherer populations, particularly as hereditary slavery, but the conditions of agriculture with increasing social and economic complexity offer greater opportunity for mass chattel slavery. Slavery was institutionalized by the time the first civilizations emerged (such as Sumer in Mesopotamia, which dates back as far as 3500 BC). Slavery features in the

History of slavery the concept of race developed and was popularized. Likewise, its victims have come from many different ethnicities and religious groups. The social, economic, and legal positions of slaves have differed vastly in different systems of slavery in different times and places. The Koran very The history of slavery spans many cultures, nationalities, and religions from ancient times to the present day. to a further dimension of the difference between the two trades. Slavery in the West 1fed3d8678

Islamic views on slavery either being a prisoner of war (this was soon restricted only to infidels captured in a holy war) or born from slave parents, slavery would be theoretically Islamic views on slavery represent a complex and multifaceted body of Islamic thought, with various Islamic groups or thinkers espousing views on the matter which have been radically different throughout history. Slavery was a mainstay of life in pre-Islamic Arabia and

surrounding lands. The Quran and the hadith (sayings of Muhammad) address slavery extensively, assuming its existence as part of society but viewing it as an exceptional condition and restricting its scope. Islamic law regarded as legal slaves only those non-Muslims who were imprisoned or bought beyond the borders of Islamic rule, or the sons and daughters. Early Islam forbade enslavement of dhimmis, the free members of Islamic society, including non-Muslims and set out to regulate and improve the conditions of human bondage 1fed3d8678

Translation translation process has contributed to the Islamic world's ambivalence about translating the Quran (also spelled Koran) from the original Arabic, as received Translation is the communication of the meaning of a source-language text by means of an equivalent target-language text. The English language draws a terminological distinction (which does not exist in every language) between translating (a written text) and interpreting (oral or signed communication between users of different languages); under this distinction, translation can begin only after the

appearance of writing within a language community 1fed3d8678

Purge server cache 1fed3d8678 A translator always risks inadvertently introducing source-language words, grammar, or syntax into the target-language rendering. On the other hand, such "spill-overs" have sometimes imported useful source-language calques and loanwords that have enriched target languages. Translators, including early translators of sacred texts, have helped shape... 1fed3d8678

International propagation of the Salafi movement and Wahhabism " The Saudi interpretation of Islam not only includes Salafism and Wahhabism but also Islamist and revivalist interpretations of Islam, and a "hybrid" of the two interpretations (until the 1990s). instructs students that it is a religious obligation to do "battle" against infidels in order to spread the faith. A study was undertaken by the Policy Starting in the mid-1970s and 1980s (and appearing to diminish after 2017), the international propagation of Salafism and Wahhabism within Sunni Islam and throughout the Muslim world, favored by the conservative
