Wikipedia:Unusual articles These articles Of the over seven million articles in the English Wikipedia there are some articles that Wikipedians have identified as being somewhat unusual. We should take special care to meet the highest standards of an encyclopedia with these articles lest they make Wikipedia appear idiosyncratic. If you wish to add an article to this list, the article in question should preferably meet one or more of these criteria:. These articles are verifiable, valuable contributions to the encyclopedia, but are a bit odd, whimsical, or something one would not expect to find in Encyclopædia Britannica. Of the over seven million articles in the English Wikipedia there are some articles that Wikipedians have identified as being somewhat unusual

Wikipedia:Language learning centre/Word list You can use the list to generate your own lists in whatever language you're learning and to test yourself. digested digester digestible digesting digestion digestions digestive digestives digestive system digests digger diggers digging diggings digit digital digitalis Drawing up a comprehensive list of words in English is important as a reference when learning a language as it will show the equivalent words you need to learn in the other language to achieve fluency. A big list will constantly show you what words you don't know and what you need to work on and is useful for testing yourself. Eventually these words will all be translated into big lists in many different languages and using the words in phrase contexts as a resource
