practices of racial impersonation in theatres across the British Empire, where it was integral to the development of imperial racial politics. Others date the practice to English Renaissance theater, in works such as William Shakespeare's Othello and Anne of Denmark's personal performance in The Masque of Blackness. In 2014, photos of two white University of Pretoria female students Blackface is the practice of performers of any race or ethnicity, usually white people, using burned cork, shoe polish, or theatrical makeup to portray a caricature of black people, e. Others continue to see it as "harmless fun". Scholarship on the origins or definition of blackface vary with some taking a global perspective that includes European culture and Western colonialism. Scholars with this wider view may date the practice of blackface to as early as Medieval Europe's mystery plays when bitumen and coal were used to darken the skin of white performers portraying demons, devils, and damned souls 9f49abedc0

Cross-dressing in film and television One early exception was Alfred Hitchcock's thriller Murder. Both Chaplin and Laurel occasionally dressed as women in their films. The tradition has continued for many years, usually played for laughs. Cross-gender acting, on the other hand, refers to actors or actresses portraying a character of the opposite gender. Only in recent decades have there been dramatic films which included cross-dressing, possibly because of strict censorship of American films until the mid-1960s. Copeland was considered a prodigy who rose to stardom despite not starting ballet until age 13. Two years later, in 1998, her ballet teachers were serving as her custodial and legal guardians, and her mother was fighting a custody battle against them. At the same time, Copeland – already an award-winning dancer – was receiving professional offers. The legal issues involved filings for emancipation by Copeland and restraining orders by her mother. Both sides dropped legal proceedings, and Copeland moved home
