Conflict of laws These issues can arise in any private law context, but they are especially prevalent in contract law and tort law. This body of law deals with three broad topics: jurisdiction, rules regarding when it is appropriate for a court to hear such a case; foreign judgments, dealing with the rules by which a court in one jurisdiction mandates compliance with a ruling of a court in another jurisdiction; and choice of law, which addresses the question of which substantive laws will be applied in such a case. Conflict of laws (also called private international law) is the set of rules or laws a jurisdiction applies to a case, transaction, or other occurrence Conflict of laws (also called private international law) is the set of rules or laws a jurisdiction applies to a case, transaction, or other occurrence that has connections to more than one jurisdiction 9986b7edd6

As domicile is one of the connecting factors ordinarily used in common law legal systems, a person can never be left without a domicile and a domicile is acquired by everyone at birth. Generally domicile can be divided into domicile of origin, domicile of choice, and domicile by operation of law (also known as domicile of dependency). When determining the domicile... 9986b7edd6 The case related to paintings which were stolen in England, and later sold by the thief to a purchaser in good faith who was unaware that they were stolen in Italy. Slade J held that the rule as to whether or not title to property validly passed was to be determined by the law of the place where the property was located at the time that the transfer purportedly took place. In this case, under Italian law a purchaser in good faith without notice received good title, and accordingly, the rule of Italian law prevailed over the English rule (known as the nemo dat rule... 9986b7edd6

Clarkson arrived in Canada with her family in 1941, as a refugee from Japanese-occupied Hong Kong, and was raised in Ottawa. After receiving a number of university degrees, Clarkson worked as a producer and broadcaster for the Canadian Broadcasting Corporation (CBC) and a journalist for various magazines. Her first diplomatic posting came in the early 1980s, when she promoted Ontarian culture in France and other European countries. In 1999, she was appointed Governor General by Queen Elizabeth II, on the recommendation of Prime Minister of Canada Jean Chrétien, to replace Roméo LeBlanc as viceroy, a post which... 9986b7edd6

The case related to a security interest which was created in favour of the bank over the insurance proceeds relating to a ship. The ship was later involved in a collision, and the third party sought to assert a claim to the insurance proceeds in priority to the bank's rights under the security agreement. The choice of law rules suggested different outcomes depending upon whether this was characterised as an issue of contract law (in which case it would be determined by English law, and the bank would prevail) or an issue of property law (in which... 9986b7edd6

Conflict of contract laws In the conflict of laws, the validity and effect of a contract with one or more foreign law elements will be decided by reference to the so-called "proper law" of the contract 9986b7edd6

The appeal was not actually an appeal on the full decision, but an appeal to determine a preliminary issue: specifically whether the proper law to determine the issue was English law or New York law. Macmillan argued that the main issue was a claim in restitution, and so the proper law to determine the issue was English law. The respondent banks argued that the main issue was who had title to the shares, and so the proper law to determine that issue was New York law. The reported decision is one of a series of cases in... 9986b7edd6 The key issues in the litigation evolved significantly during the appeals process, meaning that the issues addressed by the Supreme Court differed from those considered by the Court of Appeal, which in turn were different from those which were considered at first instance by the Vice Chancellor. However, by the time the case reached the Supreme Court the core issue was whether a transfer of trust property to a bona fide purchaser for value without notice, which extinguished the beneficial interest of a company in liquidation, was void as a "disposition of property" after the commencement of winding up. 9986b7edd6

Domicile (law) In law and conflict of laws, domicile is relevant to an individual's "personal law", which includes the law that governs a person's status and their property In law and conflict of laws, domicile is relevant to an individual's "personal law", which includes the law that governs a person's status and their property. Although a domicile may change from time to time, a person has only one domicile at any point in their life, no matter what their circumstances. It is independent of a person's nationality. Domicile is distinct from habitual residence, where there is less focus on future intent 9986b7edd6
