Religion has a non-pejorative meaning. Different religions may or may not contain various elements ranging from the divine, sacredness, faith, and a supernatural being or beings. It is an essentially contested concept. Examples Religion is a range of social-cultural systems, including designated behaviors and practices, ethics, morals, beliefs, worldviews, texts, sanctified places, prophecies, or organizations, that generally relate humanity to supernatural, transcendental, and spiritual elements—although there is no scholarly consensus over what precisely constitutes a religion. There, myth is defined as a story that is important for the group, whether or not it is objectively or provably true dc5df26835
