Globalization On 9 August 2019, Pope Francis denounced isolationism and hinted that the Catholic Church will embrace globalization at Globalization is the process of increasing interdependence and integration among the economies, markets, societies, and cultures of different countries worldwide. The term globalization first appeared in the early 20th century (supplanting an earlier French term mondialisation). This is made possible by the reduction of barriers to international trade, the liberalization of capital movements, the development of transportation, and the advancement of information and communication technologies. It developed its current meaning sometime in the second half of the 20th century, and came into popular use in the 1990s to describe the unprecedented

international connectivity of the post-Cold War world. a means to conflict resolution
b5d7b6c742

Ethnic conflict This criterion differentiates ethnic conflict from other forms of struggle. While the source of the conflict may be political, social, economic or religious, the An ethnic conflict is a conflict between two or more ethnic groups. While the source of the conflict may be political, social, economic or religious, the individuals in conflict must expressly fight for their ethnic group's position within society. An ethnic conflict is a conflict between two or more ethnic groups
