

Ego Is The Enemy

Our Enemy, the State Nock differentiates between that, which he refers to as "the State" (as described by Franz Oppenheimer in his book *The State*) and "legitimate" government, including governing oneself or consensual delegation of decision-making to leaders one selects. *Our Enemy, the State* is the best-known book by libertarian author Albert Jay Nock, serving as a fundamental influence for the modern libertarian and American conservatism movements. Initially presented as a series of lectures at Bard College, it was published in 1935 and attempts to analyze the origins of American freedom and question the nature and legitimacy of authoritarian government 77bcc4ad1f
