Although it was originally applied to the ancient Greek pantheon, the dilemma has implications for modern monotheistic religions. Gottfried Leibniz asked whether the good and just "is good and just because God wills it or whether God wills it because it is good and just". Ever since Plato's original discussion, this question has presented a problem for some theists, though others have thought it a false dilemma, and it continues to be an object of theological and philosophical discussion today. 2fbef6e6f5 The film explores the moral dilemma of whether a doctor should assist a patient in taking their own life when the patient is in great pain and facing imminent death. 2fbef6e6f5

Basic Law: Israel as the Nation-State of the Jewish People It was passed by the Knesset—with 62 in favour, 55 against, and two abstentions—on 19 July 2018 (7 Av 5778) and is largely symbolic and declarative in nature. The law outlines a

number of roles and responsibilities by which Israel is bound in order to fulfill the purpose of serving as the Jews' nation-state. 11 — Immutability This Basic Law shall not be amended, unless by another Basic Law passed by a majority of Knesset Basic Law: Israel as the Nation-State of the Jewish People (Hebrew: חוק יסודי: ישראל כמדינת העם היהודי—חוק יסודי: ישראל כמדינת העם היהודי), informally known as the Nation-State Bill (חוק יסודי: ישראל כמדינת העם היהודי) or the Nationality Bill, is an Israeli Basic Law that specifies the country's significance to the Jewish people. However, it was met with sharp backlash internationally and has been characterized as racist and undemocratic by some critics. this issue will be determined by law. Euthyphro dilemma " (10a). Price, who takes the first horn and thus sees morality as "necessary and immutable", sets out the objection as follows: "It may seem that this is setting The Euthyphro dilemma is found in Plato's dialogue Euthyphro, in which Socrates asks Euthyphro, "Is the pious (τὸ ὅσιον) loved by the gods because it is pious, or is it pious because it is loved by the gods

Reputation is a ubiquitous, spontaneous, and highly efficient mechanism of social control. It is a subject of study in social, management, and technological sciences. Its influence ranges from competitive settings, like markets, to cooperative ones, like firms, organizations, institutions and communities. Furthermore, reputation acts on different levels of agency: individual and supra-individual. At the supra-individual level, it concerns groups, communities, collectives and abstract social entities (such as firms, corporations, organizations, countries...
