Batman: Legends of the Dark Knight The original series launched in 1989 as the third major monthly Batman title, following the popularity of Tim Burton's 1989 film Batman. Many of the stories follow the tone of Frank Miller's Batman: Year One. Initially the title ran stories contained to five issues, often with more mature topics and sensibilities than the other Batman titles. The creative team rotated with every story arc and the stories stood alone, unlike the inter-connected nature of other Batman comics of the time. After issue #20, the number of issues for each story began to vary and occasionally tied into crossover events.
